Standardized Rate Sheet 8/1/10

- *One man service call rate: Billing rate for the 1st (1) hour is \$75.00 flat rate for service work, with a rate of \$55.00 for each additional hour*
- Billing is figured in ½ hour increments and rounded up to the ½ hour
- Standard billing rate for (1) man is \$55.00 per unit hour
- Bill rate for (2) men is \$85.00 per unit hour
- Labor for service work is to be billed to include travel time to and from the job
- Billing rate for after hours work is time and ½ (\$82.50)
- Billing rate for Sundays and holidays work is double time (\$110.00)
- We DO NOT collect sales tax – sales tax is paid to our vendors
- We charge a 5.00 fuel sur charge on every call in town (Lafayette / West Lafayette)
- We charge a \$10.00 fuel sur charge on calls out of town but in Tippecanoe County. This would apply to jobs that are more than 15 miles one way from the shop
- We charge a \$15.00 fuel charge on calls that are outside of Tippecanoe County, but in an adjoining county
- Material is to be billed at cost – we do not mark up material to clients and will provide full disclosure on all job cost
- We try to collect on all work at completion unless it is contract work or an established client with a billing agreement
- Parts run fees for in town work are charged at \$10.00 for the run
- Parts run fees for out of town work are charged at \$20.00 per run. This would be on jobs that are more than 15 miles one way from job to supplier
- Currently we take CHECKS ONLY – we will soon be taking payment via PayPal on our web site
