

# Artisan Electric Standardized Rate Sheet 2025

- One Journeyman Electrician service call rate: Billing rate for the 1st (1) hour is a \$140.00 flat rate, with a rate of \$110.00 for each additional hour
- Billing is figured in ½ hour increments and rounded to the nearest ½ hour
- Billing rate for (1) Journeyman Electrician: \$110.00 per unit hour
- Billing rate for (1) Apprentice Helper: \$80.00 per unit hour
- Billing rate for (1) Journeyman w/ Apprentice Helper: \$190.00 per unit hour
- Billing rate for (2) Journeyman Electricians: \$220.00 per unit hour
- Labor for service work is billed to include travel time to and from the job (port to port)
- Billing rate for after hours or emergency work is per unit hour at time and ½ (\$165.00)
- Billing rate for Sundays and holidays work per unit hour at double time (220.00)
- Artisan Electric reserves the right to charge a 1.5X rate for non-standard work hours, emergency work that requires us to leave another project, or to accommodate priority scheduling
- We DO NOT collect sales tax – sales tax is paid to our vendors (some exceptions do apply on bid work of NFP projects)
- Typically material will be billed at cost – we do not markup material for service work and will provide full disclosure on all job cost upon request (some exceptions do apply on bid work / change orders outside of contract / or cost + projects)
- We charge a \$15.00 fuel surcharge on every call in town (Lafayette / West Lafayette)
- We charge a \$20.00 fuel surcharge on calls out of town but in Tippecanoe County
- We charge a \$25.00 fuel charge on calls that are outside of Tippecanoe County, but in an adjoining county
- We try to collect on all work at completion unless it is contract work or an established client with a billing agreement
- Parts run fees for in town work are charged at \$20.00 for the run
- Parts run fees for out of town work are charged at \$30.00 per run. This would be on jobs that are more than 15 miles one way from job to supplier
- We accept checks, credit card / debit card payments via field card reader or emailed electronic invoice
